BUT FALL BACK AHEAD OF MORGAN

Final Buying Movement Did Not Gubernatorial Foe of Big Rail-Hold in the Market that Had Proved Disappointing All the

Dealings in the stock market to-day were again disappointing. While the opening was generally firm it was almost without exception under London quotations and there was a noticeably strong desire to sell.

The exceptionally poor weekly state-ments of the Bank of England and the Bank of France aided the bears in or-ganizing a concerted raid upon weak spots which looked responsive to at-

Reading was the weakest issue in the railroad list. It ragged heavily on liquidatin sales and touched the lowest figure for months.

Baltimore & Ohio was subjected to heavy selling pressure, chiefly from the Gates faction and it gave way nearly two points under liquidation.

Missouri Pacific, which yesterday showed new energy and led the market in the strength of its advance, was to-day weak and lifeless. It opened at 1081-4, gained nearly a point and then reacted.

The industrial list was weak again

then reacted.

The industrial list was weak again with the exception of American Cotton oil. That led the list in point of activity, advancing 3 points on the declaration of an extra dividend of 4 percent, on the common stock.

Shortly before the close of the market there was a renewal of buying, and as a result the whole list went up.

Many of the issues reached the high level and the closing was around the highest point of the day.

This gain did not hold, however, the prices again falling back.
